If you choose to have an in-person event we ask that you abide by the following guidelines:

- We require the event take place within the mark territory shown on the map on the last page of this document.
- Please note, should the event be in-person, that Dr. Franklin Chang Diaz will be bringing with him one or two staff members to this event. The staff members will be there in order to take photographs and manage the merchandise table.
- Merchandise table: We require the winning organization to allot an area for our team to set up a merchandise table. It is important to note that 100% of the proceeds from the sales of Ad Astra Rocket Company merchandise goes directly into supporting company projects such as the development of the VASIMR® engine and our work in renewable energy. The table can also act as an area for Dr. Chang Diaz to sign books and/or take photos (pending COVID protocols).
- Health and safety protocols: We ask that the winning organization provide COVID guidelines for the event at the time the event is scheduled. A book signing / photo op opportunity will be determined internally once the guidelines are received.

****** Meeting this criteria does not indicate an automatic qualification, each winner will be evaluated on a case by case basis ******
